Fees, Rates, and Charges. Applicant agrees to pay fees, rates, and charges established by the District. As compensation for connection to the District's sewer utilities, the Applicant submits the fees and deposits indicated. Fees for the privilege of connection to the District's utilities DO NOT include costs to install service connections. Applicant shall bear the cost of installing service connections to the District's mainlines.

Expiration of Service Permit. The Applicant must install service lines from the building and connect to the District mainlines within 18 months of the date of this application. Failure of the Applicant to install service connections shall void this permit and paid connection fees shall be

forfeited to the District. Application for extension of permit must be submitted prior to permit expiring.

Service Availability. The District does not guarantee uninterrupted sewer service to the Applicant's premises. Failure of equipment, pipelines, or other utility components may unavoidably disrupt service from time to time.

When signed by the District, this document constitutes a permit to receive service from the Chicago Creek Sanitation District subject to the Rules and Regulations of the District. This permit may be revoked for failure to comply with the terms of this permit. Service may be discontinued when any charge is past due.
